POLICY:

GENERAL INFORMATION

- A. The personal property limitations set forth in this policy apply to general population prisoners in CFA institutions, including prisoners permanently housed in a Department medical in-patient facility/unit unless restricted by a medical service provider. The personal property of prisoners temporarily housed in a Department medical in-patient facility/unit may be limited beyond that which is provided for in this policy with the approval of the Medical Director and the Warden.
- B. Employees shall take reasonable precautions to protect the property of prisoners. However, responsibility for safeguarding property rests with the prisoner. Prisoners shall store property in their cell or room in accordance with institutional procedures. The Department will not assume responsibility for lost, stolen or damaged property. If the prisoner incurs a loss through no fault of his/her own, s/he may petition the institution's Prisoner Benefit Fund, as provided in PD 04.02.110 "Prisoner Benefit Fund", or request reimbursement through the State Administrative Board, in accordance with OP 03.02.130-A "State Administrative Board Prisoner Property Reimbursement".
- C. Excessive prisoner property in housing units constitutes a fire hazard and creates sanitation, housekeeping and security concerns. A prisoner in Level I, II or III shall not at any time have property which exceeds that which can be contained in one state issued duffel bag or similarly sized container(s) authorized by the CFA Deputy Director and one footlocker if purchased by the prisoner. A prisoner in Level IV or V shall not have property which exceeds that which can be contained in one state issued duffel bag or similarly sized container(s) authorized by the CFA Deputy Director or, in Level IV, one footlocker if purchased by the prisoner. These limits apply to all of the prisoner's personal property, whether in his/her cell or stored elsewhere in the facility, except typewriters, excess allowable legal property and medically necessary items authorized to be possessed by the prisoner pursuant to PD 04.06.160 "Medical Details and Special Accommodation Notices" or PD 04.06.165 "Optometric Services". These limits also apply to clothing items issued to the prisoner pursuant to PD 04.07.110 "State-Issued Items and Cell/Room Furnishings for Prisoners", except for special clothing items issued to wear on a work assignment.

- D. Subject to other limitations set forth in this policy, prisoners may purchase, possess and wear personal clothing, and purchase and possess other personal property items, only as set forth in the following attachments:
1. Attachment A - Level V.
 2. Attachment B - Level IV.
 3. Attachment C - Level I through III.
- E. Authorized property items shall be available through the prisoner store as set forth in PD 04.02.130 "Prisoner Store", through catalogs from vendors approved by the Warden, and, if mail, as set forth in PD 05.03.118 "Prisoner Mail". Catalogs from which prisoners may order personal clothing shall be available for prisoner review; in Level V, the catalogs shall be available for prisoner review in the housing unit. All allowable property must be purchased by prisoners through the prisoner store or ordered through established institutional ordering procedures, including catalog orders from approved vendors, except for the following:
1. Allowable books, magazines and newspapers may be purchased by members of the public, including family members, provided the publication is sent to the prisoner directly from an approved internet vendor or from the publisher. If the prisoner is approved to take a correspondence course pursuant to PD 05.02.119 "Correspondence Courses", allowable publications and other instructional material (e.g., cassette tapes) may be sent directly from the correspondence school. Catalogs may be received only if sent directly from approved vendors of prisoner personal property at the facility at which the prisoner is housed. All publications are subject to PD 05.03.118 "Prisoner Mail".
 2. Calendars printed on the page(s) of an allowable publication and unbound calendars received through the mail are permitted, subject to PD 05.03.118 "Prisoner Mail".
 3. Personal correspondence and photographs are permitted to be received from any source, subject to PD 05.03.118 "Prisoner Mail".
 4. A prisoner shall be permitted to receive an approved wedding band given to him/her from the intended spouse during a wedding ceremony performed within the facility.
 5. Medically necessary items authorized pursuant to PD 04.06.160 "Medical Details and Special Accommodation Notices" shall be permitted as set forth in that policy. Prescription glasses authorized pursuant to PD 04.06.165 "Optometric Services" also shall be permitted as set forth in that policy.
 6. Typewriters listed on the Standardized Property List (Attachment D), ribbon, correction tape, and one extra roll of ribbon and correction tape may be purchased by a member of the public directly from the authorized vendor provided the items are sent directly to the prisoner from the vendor and are received as part of the same order.
- F. No item may exceed a limit of \$50 in retail value (i.e., price for which the item is being sold, not including tax or shipping) unless it is specifically exempted from that limit by this policy or was authorized to be purchased prior to January 12, 1998. This limitation also applies to items on the Standardized Property List (Attachment D), unless the models listed are not available for \$50 or less. Required instructional material (e.g., book, cassette tape) for correspondence courses approved pursuant to PD 05.02.119 "Correspondence Courses" or for college programming offered pursuant to PD 05.02.112 "Education Programs for Prisoners" may exceed the \$50 limit.
- G. This policy limits the quantity of certain items prisoners may possess. For those items, prisoners must dispose of items in their possession which are in excess of the quantity limit when receiving a new or replacement item.

PERSONAL CLOTHING

- H. All clothing shall be machine washable and colorfast. Personal laundry services shall be provided at all facilities, and prisoners are responsible for having their clothing laundered through that service. Except for personal underwear items, personal clothing shall not be worn under state-issued clothing.
- I. Prisoners are allowed to purchase only those clothing items they are authorized by this policy to wear. However, prisoners shall be permitted to keep allowable clothing items which are not authorized to be worn if the prisoner had the item in his/her possession prior to the effective date of this policy.
- J. Except if authorized pursuant to Paragraph K, the following kinds of clothing are prohibited:
 - 1. Clothing which resembles the pants, shirt or other top, jacket or coat required to be worn by a Department employee pursuant to PD 02.03.103 "Employee Uniforms". This includes predominantly black clothing and predominantly gray shirts, pants, sweaters and blouses. Coats and jackets which are predominantly gray or which have predominantly black or gray lining also are prohibited.
 - 2. Clothing which resembles the clothing traditionally worn by persons who provide professional services within a correctional facility. This includes clergy shirts and doctor/nurse uniforms (e.g., "scrubs"; white lab coats).
 - 3. Camouflage.
 - 4. Hooded clothing.
 - 5. Ski masks.
 - 6. Mutilated and altered clothing. This does not include items that have been mended or repaired provided the item retains its original design and intended use.
 - 7. Effeminate appearing clothing for males and extremely masculine appearing clothing for females.
 - 8. Footwear over six inches in total height (measured from the outside to the highest point and including the heel) or with heels over two inches in height. New purchases shall not contain shanks, air pumps, pockets, flashing lights, gel or inserts. The CFA Deputy Director may impose additional restrictions on footwear for reasons of custody or security. With prior approval of the CFA Deputy Director or designee, a Warden may authorize the purchase of footwear over six inches in total height or which is in excess of \$50 if necessary due to the need for a unique size.
 - 9. Coats and jackets must be no longer than knee-length and not have draw strings or hoods. Ponchos are prohibited. Winter coats and winter jackets shall not exceed \$125 in retail value. However, with prior approval of the CFA Deputy Director or designee, a Warden may authorize the purchase of a winter coat or winter jacket exceeding \$125, or a lightweight coat or jacket exceeding \$50, if necessary due to the need for a unique size.
 - 10. Winter gloves and winter mittens as approved by the CFA Deputy Director.
- K. Prisoners shall be permitted to possess and wear personal winter coats, winter jackets, winter gloves and winter mittens that were legitimately in their possession prior to the effective date of this policy provided they fit within allowable property limits, even if they are not machine washable or do not meet the requirements set forth in Paragraph J, numbers 1, 4, 9 and 10. New personal winter coats or winter jackets and new personal winter gloves or winter mittens may be ordered only through established institutional ordering procedures and must comply with all requirements set forth in this policy. A prisoner may only have one personal winter coat or winter jacket and one pair of personal winter gloves or winter mittens in his/her possession at any time.

- L. The institution shall provide civilian clothing to a prisoner for court appearances as set forth in PD 04.04.135 "Custodial Transportation of Offenders".

PERSONAL PROPERTY OTHER THAN CLOTHING

- M. Prisoners shall be permitted to possess legal property. Legal property is defined as follows:
1. Books, photographs, diagrams, documents, pleadings and any other written materials reasonably necessary to a prisoner's pending litigation, or reasonably necessary to another prisoner's pending litigation provided there is a current, valid agreement for legal assistance with the other prisoner in accordance with PD 05.03.116 "Prisoners' Access to the Court and Legal Assistance" and applicable Director's Office Memoranda. This includes any lawsuit or criminal or administrative appeal which has been filed and has not been finally disposed of by a court or administrative agency, and any lawsuit or criminal or administrative appeal which is being prepared for filing.
 2. Pleadings, transcripts, court orders and court opinions from the criminal case for the offense for which the prisoner is currently serving, even if there is no pending litigation.
 3. Example or sample pleadings that will assist in litigation.
 4. Final opinions and orders in any case. This includes a final opinion or order of another prisoner with whom the prisoner has not entered into a legal assistance agreement.
 5. Judith Magid Trust Fund documents and correspondence pertaining thereto. This applies to female prisoners only.
 6. Documents and correspondence pertaining to Cain v MDOC.
 7. Documents and correspondence pertaining to other pending class actions, if the prisoner is a member of the class.
 8. Documents and correspondence pertaining to pending grievances and misconducts and pending appeals therefrom.
 9. Documents and correspondence pertaining to divorce and support, visiting and custody matters; these are pending litigation if there are minor children even if a judgment has been entered.
 10. Typewriters and their accessories, as authorized by this policy.
 11. Calendars as sold in a prisoner store at any institution or as described in Paragraph E of this policy.
- N. If the prisoner's property exceeds allowable limits due to items claimed to be legal property, a hearing shall be conducted by the Hearings and Appeals Division of the Office of Policy and Hearings to determine if the items are legal property and thus allowed to be possessed. Typewriters shall be presumed to be allowable excess legal property and permitted in excess of allowable limits without the need for a hearing.
- O. All appliances must be purchased from the Standardized Property List, as set forth on Attachment D. However, except for lamps, prisoners shall be permitted to keep allowable appliances purchased from a previous Standardized Appliance List, or prior to the issuance of a Standardized Appliance List, provided that type of appliance is listed on the current Standardized Property List and fits within allowable limits. Prisoners authorized to possess lamps shall be permitted to keep only those lamps listed on the current or a future Standardized Property List. The prisoner must dispose of the appliance when a new or replacement appliance of the same type is received. The new appliance must be chosen from those identified on the Standardized Property List.

- P. A prisoner who legitimately ordered, purchased, or possessed a typewriter prior to July 15, 2003 must be permitted to keep it unless it requires a disk or diskette to operate. The prisoner also must be permitted to purchase ribbons and other accessories for the typewriter through established institutional ordering procedures. A prisoner shall be permitted to have his/her typewriter repaired through the institution by an authorized vendor. A prisoner shall not be allowed to possess a replacement typewriter that is not on the Standardized Property List that is sent by the vendor in lieu of repair. If a new or replacement typewriter is ordered by the prisoner, the prisoner must dispose of the typewriter currently in his/her possession and, unless compatible with the new or replacement typewriter, its ribbons and other accessories when the new or replacement typewriter is received. The new or replacement typewriter must be chosen from those identified on the Standardized Property List.
- Q. Prisoners are not permitted to purchase or receive used, reconditioned or refurbished items. However, if a prisoner has an allowable item repaired through the institution by an authorized vendor, the prisoner shall be allowed to receive the repaired item when it is returned from the vendor provided the item has not otherwise been altered and, except for typewriters, the cost of the repair does not exceed the retail value authorized by this policy for the item being repaired. A prisoner shall be allowed to possess a replacement item sent by the vendor in lieu of repair only if the item is otherwise authorized by this policy. Under no circumstances shall clothing items be allowed to be sent out through the institution for repair or alteration.

PROPERTY CONTROL

- R. All personal clothing items, except for religious clothing items, appliances and footlockers shall be labeled or inscribed by staff with the prisoner's identification number prior to being given to the prisoner. Additional property items which must be labeled or inscribed by staff are identified in Attachments A through C. Other property items shall be labeled or inscribed only if requested by the prisoner. All labeling and inscribing shall be done neatly, using block numbers placed as inconspicuously as possible. Items shall be relabeled or reinscribed as necessary to ensure proper identification of ownership. It is the prisoner's responsibility to request relabeling or reinscription when necessary.
- S. Prisoners shall not be allowed to store personal property on an assignment. Unless otherwise approved by the Warden, prisoners shall be allowed to possess only the following personal property on an assignment:
1. Personal underwear worn on the assignment. Personal shoes, winter coats, winter jackets, winter gloves and winter mittens also shall be permitted to be worn, unless a state-issued equivalent is required to be worn on the assignment as a part of special assignment clothing.
 2. Wedding rings, earrings and watches worn on the assignment.
 3. Religious symbols and emblems worn on the assignment, if otherwise authorized to be worn by this policy and PD 05.03.150 "Religious Beliefs and Practices of Prisoners".
 4. Prosthetics, including medically necessary shoes, authorized to be possessed by the prisoner pursuant to PD 04.06.160 "Medical Details and Special Accommodation Notices" and prescription glasses received pursuant to PD 04.06.165 "Optometric Services".
 5. Prescription medication authorized by the appropriate health care provider.
- T. Wherever possible, prisoners should be permitted to pack and accompany or carry their property when moved to a different general population cell or room within an institution.
- U. A prisoner shall not be allowed to assist in packing another prisoner's property or be allowed access to another prisoner's property except as necessary to transport sealed property under direct staff supervision.
- V. When a prisoner transfers between institutions or between a facility and a camp, the prisoner's personal property must be packed as set forth below, except for those items authorized to be carried or worn by

DOCUMENT TYPE POLICY DIRECTIVE	EFFECTIVE DATE 11/15/2004	NUMBER 04.07.112	PAGE 6 OF 9
-----------------------------------	------------------------------	---------------------	-------------

the prisoner during transport (e.g., legal property; personal underwear) or items carried separately by transportation officers (e.g., restricted medication) pursuant to PD 04.04.135 "Custodial Transportation of Offenders" and the Department's Transportation Manual. For transfers from reception facilities, the reception facility shall provide each prisoner with a container which can be locked or otherwise securely sealed in which the prisoner's property shall be packed. For transfers between any other facilities, the sending facility shall provide each prisoner as necessary with a duffel bag or similarly sized container(s) authorized by the CFA Deputy Director in which the prisoner's property shall be packed, unless all property fits into a footlocker owned by the prisoner. Additional duffel bags or similarly sized containers shall be provided as necessary to pack items authorized in excess of allowable limits. In addition, extra footlockers containing allowable excess legal property shall be transferred, with typewriters packed separately in an appropriate container, with adequate packing materials (e.g., newspaper). Although subject to allowable property limits, televisions and musical instruments also may be packed separately in an appropriate container when transferred. Any property stored for the prisoner (e.g., external television antenna) also shall transfer with the prisoner.

- W. All property shall be itemized by staff at the sending facility on a Prisoner Personal Property Receipt (CSJ-241-A) except for transfers from a reception facility, in which case a Prisoner Personal Property Receipt - Reception Facility form (CSJ-241-R) shall be used. Any property that is damaged or altered shall be specifically identified on the receipt by staff at the sending facility, who also shall issue a Notice of Intent to Conduct an Administrative Hearing (CSJ-282) or misconduct report as set forth in PD 03.03.105 "Prisoner Discipline", as appropriate. Any hearing required on the damaged or altered property may be conducted at either the sending or receiving facility.
- X. Once a prisoner's property is packed, it shall be securely sealed in its container in a manner to prohibit entry and the seal number written on the property receipt. Staff are responsible to ensure that the seals remain unbroken until the container is opened and unpacked at the receiving facility. Wherever possible, this shall be done in the prisoner's presence. Once unpacked at the receiving facility, staff shall determine which items are allowed at that security level. Prisoners shall receive their allowable property within 24 hours after its arrival at the receiving facility.
- Y. When it is necessary to move a prisoner without the prisoner being able to pack his/her own property, staff shall immediately secure the prisoner's property to safeguard it against theft. If the prisoner will be returning to his/her cell or room within 48 hours, the property may be left secured in the room or cell. Otherwise, staff shall pack, seal, receipt, and store the property in the property room or other secure area of the facility, as designated by the Warden. The receipt shall be given or forwarded to the prisoner within 24 hours after packing.
- Z. Food items shall be stored only if in unopened cans or in unopened vacuum packed containers. Food items shall be transferred between institutions or between a camp and a facility only if in their original, unopened container or, if opened, in their original container with lid. Food items sold in a package which does not have a lid (e.g., potato chips, snack cakes) shall transfer only if unopened. Food items that cannot be stored or transferred pursuant to this paragraph shall be destroyed.
- AA. If a prisoner is placed in Level IV or V, except as an initial placement from a reception facility, and the prisoner's true security level is less than the security level at which the prisoner is placed, the prisoner's property which is not allowed at that level shall be stored for the prisoner at the receiving facility until his/her return to a security level in which the property is allowed. This does not restrict the prisoner from electing to dispose of the property as otherwise allowed by this policy in lieu of storage.
- BB. The property which is stored pursuant to Paragraph AA shall be listed on the Prisoner Personal Property Receipt (CSJ-241-A) by staff at the receiving facility, and the prisoner shall sign to indicate that s/he agrees with the list. If the prisoner contends that the form does not accurately reflect the stored property, s/he may write on the list the additional items s/he contends were not included. If staff disagree with the additions, it shall be noted on the form. The form shall be signed by the staff member, the prisoner and one additional staff member as a witness if there is a disagreement as to the property items which are listed. If the prisoner refuses to sign, the refusal shall be documented on the form. A copy of the form shall be given to the prisoner.

-----------------------------------	------------------------------	---------------------	-------------

- CC. If a prisoner is placed in Level IV or V, except as an initial placement from a reception facility, due to a reclassification based on a finding of guilt at a major misconduct hearing or due to a departure not based on a finding of guilt on a misconduct, the prisoner's property which is not allowed at that level shall either be mailed at the prisoner's expense to a single address designated by the prisoner at the time s/he receives a receipt for the property or retained and stored by the institution for up to 30 calendar days for pick-up by someone designated by the prisoner. Property shall not be mailed to a court, an identified public official, a Department office or facility, or a Department employee unless that employee or public official is an immediate family member of the prisoner. If property to be picked up is not picked up within 30 calendar days, the property may be destroyed no sooner than ten business days after the prisoner is notified in writing of this intent; the item may be picked up during this ten day period.
- DD. Prior to mailing property out of the facility pursuant to Paragraph CC, the property shall be listed on the Prisoner Personal Property Receipt (CSJ-241-B) by staff at the receiving facility, and the prisoner shall sign to indicate that s/he agrees with the list. If the prisoner contends that the form does not accurately reflect the property to be mailed, s/he may write on the list the additional items s/he contends were not included. If staff disagree with the additions, it shall be noted on the form. The form shall be signed by the staff member, the prisoner and one additional staff member as a witness if there is a disagreement as to the property items which are listed. If the prisoner refuses to sign, the refusal shall be documented on the form. A copy of the form shall be given to the prisoner.

CONTRABAND HANDLING

- EE. For purposes of this policy, contraband is any personal property which is not specifically authorized by this policy, authorized property which is in excess of allowable limits, authorized property which has been altered, authorized property which was obtained or sent from an unauthorized source, metered envelopes that reflect tampering, and, except for legal property as defined in Paragraph M, authorized property which belongs to another prisoner. Contraband also includes personal property that is no longer functional as to its intended purpose unless the item can be repaired through the institution by an approved vendor and the prisoner agrees to immediately mail the item out for repair and can pay the full cost of mailing and repair. An authorized publication is not considered altered solely due to pages of the publication being removed (e.g., pictures cut out) or portions of it blocked out.
- FF. A prisoner may at any time be given a direct order to pack up his/her property, using a duffel bag, footlocker or similarly sized container(s) authorized by the CFA Deputy Director, to determine if the prisoner is exceeding the property limits set forth in this policy. A record shall be maintained by the institution of each pack-up. Upon request, a prisoner shall be given a reasonable opportunity to exchange a packed allowable item with an item that did not fit within the duffel bag or container(s) prior to staff processing the excess allowable property as contraband.
- GG. If an item is believed to be contraband, it shall be confiscated and a Contraband Removal Record (CSJ-284) issued to the prisoner. The prisoner also shall be issued either a misconduct report as set forth in PD 03.03.105 "Prisoner Discipline" or a Notice of Intent to Conduct an Administrative Hearing (CSJ-282). A hearing on the misconduct report shall be conducted as set forth in PD 03.03.105. A hearing on the Notice shall be conducted as set forth below.
- HH. Unless the prisoner waives the administrative hearing in writing and the prisoner and staff agree on disposition of the property as authorized by this policy, a hearing shall be conducted pursuant to Administrative Rule 791.3310 for the hearing officer to determine if the property is contraband and, if so, the appropriate disposition of the property. The hearing officer shall not be the person who issued the Notice. The hearing officer shall complete an Administrative Hearing Report (CSJ-144) to document the findings made at the hearing, including the hearing officer's determination as to disposition of any property found to be contraband. Subject to Paragraphs AA and CC, contraband property may be disposed of only as set forth below. The hearing officer may take into consideration the prisoner's choice of disposition in making that determination. Property determined not to be contraband shall be returned to the prisoner.

-----------------------------------	------------------------------	---------------------	-------------

Disposition of Contraband

- II. Except as otherwise indicated in Paragraphs JJ through NN, contraband property shall not be disposed of until after the prisoner has exhausted available administrative remedies (e.g., grievance process). However, only the photograph shall be retained if a photograph of the contraband item is required to be taken by this policy.
- JJ. The possession of a weapon or an item which is illegal to be possessed outside a correctional facility shall be reported to the Michigan State Police. After the item is photographed, it shall be turned over to the Michigan State Police for disposition.
- KK. Food items not in a sealed can or an unopened vacuum packed container, and alcoholic beverages, shall be destroyed after the items are photographed and appropriate records prepared.
- LL. Except for money and postage, including metered envelopes, items determined to belong to another identified prisoner shall be returned to that prisoner after the items are photographed and appropriate records prepared. If the item would be contraband if possessed by that prisoner, the process set forth in Paragraphs GG and HH shall be followed and the item disposed of as otherwise set forth in this section. Money and postage, including metered envelopes, shall be turned over to the Prisoner Benefit Fund after they are photographed and appropriate records prepared.
- MM. Except for money and postage, including metered envelopes, items that are determined at a major misconduct hearing to be stolen but whose rightful owner cannot be determined shall be deemed unclaimed property and disposed of in accordance with DMB guidelines and MCL 434.151, et seq. Money and postage, including metered envelopes, shall be turned over to the Prisoner Benefit Fund after they are photographed and appropriate records prepared.
- NN. Money and postage, including metered envelopes, not determined to belong to another prisoner shall be turned over to the Prisoner Benefit Fund after the items are photographed and appropriate records prepared. However, postage confiscated in mail coming from an outside source also may be disposed of as set forth in Paragraph OO.
- OO. All other contraband shall be disposed of as follows:
 - 1. Mailed at the prisoner's expense to a single address designated by the prisoner, except that an item shall not be mailed to another prisoner, a court, an identified public official, or a Department employee unless that employee or public official is an immediate family member of the prisoner. Funds shall not be loaned for this purpose except at a reception facility, provided the prisoner agrees in writing to repay the loan at 100% of future funds received for credit to his/her institutional account. Whenever an item is to be mailed out at a prisoner's expense but the prisoner not have sufficient funds to pay the required postage, the item may be destroyed no sooner than ten business days after the prisoner is notified in writing of this intent; the item shall be mailed out at the prisoner's expense during this ten day period if the prisoner receives sufficient funds to pay the postage.
 - 2. Retained and stored by the institution for up to 30 calendar days for pick-up by a party designated by the prisoner. If the property is not picked up within 30 calendar days, the property may be destroyed no sooner than ten business days after the prisoner is notified in writing of this intent; the item may be picked up during this ten day period.
 - 3. Donated to a charity approved by the Warden.
 - 4. Destroyed, if requested by the prisoner or if the item is mail as defined in PD 05.03.118 "Prisoner Mail", except that publications and photographs shall be destroyed only if requested by the prisoner or as allowed pursuant to numbers 1 and 2 above.

- PP. Notice of any subsequent reductions in allowable prisoner personal property shall be provided to prisoners by posting a notice in all housing units. A prisoner may not be issued a misconduct report for possession of such property until the notice has been posted for at least 30 calendar days.

OPERATING PROCEDURES

- QQ. Wardens shall ensure that procedures are developed as necessary to implement requirements set forth in this policy directive; this shall be completed within 60 calendar days after the effective date of the policy directive.
